

3/19

Prepared by Thomas R. Doyle and Jim Butler
On behalf of Aroostook Timberlands, LLC

Proposed change to § 490-GGG.1

490-GGG 1.

1. Performance standards. Rules adopted by the department shall be performance standards to the extent feasible. Where the rules adopt design standards, they must also allow a permittee to propose, and the department to approve, an alternative means of compliance which achieves equivalent environmental performance.
